Sir,

With reference to your letter No. 1961/1uz.210-12-2 dated 7th May 1917 forwarding for report a communication from the Swamigalu of the Jai Patt at Sravanbelgola, Channarayana Taluk, requesting for a building being made for accommodation for his residence during the plague season, I have the honor to state that the Amildar of the Channarayana Taluk reports that a building has to be constructed for the purpose and has submitted an estimate for Rs 2761/-. He has selected the site out of S.O. 144 of the Sravanbelgola village, which is an unoccupied land on the side of the Channarayana - Sravanbelgola District Road and represents that there is no other site fit for the purpose. From the sketch it seems that there are buildings such as Vaidasala etc., adjoining the site. The ^{two} Sub Division Officers Messrs. G. B. Hebbar and L. Venkataraniya have inspected the site and approved of it for the purpose. The Swamigalu also is agreeable to the proposal.

2. In these circumstances, I forward herewith the estimate for Rs 2761/- together with the plan received from the Amildar and request that the Government may be pleased to grant the request of the swamigalu and accord sanction to the estimate, the cost being debited to No. 22958-4-8 reported to be available at the credit of the Sravanbelgola Patt.

3. The file of vernacular correspondence ending with the Channarayana Sub Division Officer's yadi No. 872 dated 25th April 1918 on the subject is forwarded herewith for reference.

Sir,

With reference to your letter No. 3677/Muz 210-12-4 dated 27th June 1918 returning the estimate for Rs 2 763/- for the construction of a building for the accommodation of the Swamikal of the Jain Matt of Sravanabelagola for counter-furniture and for some information about the site proposed for the building. I have the honor to retransmit herewith duly considered the estimate and the records received with the reference under noted as required, and to state that the site suggested by the Amildar is a waste land belonging to the Matt itself - vide Amildar's report No. 151 dated 10th April 1918 (page 55 of the file), and as such there does not appear to be any difficulty to put up the building as already proposed.

I have the honor to be,

Sir,
